3DPAGEFLIP FOR PHOTOGRAPHER

Build Cool 3D page-flip eBook with photos

About 3DPageflip for Photographer

No matter you photographers work on assignment for a magazine or other publication or company, 3DPageFlip for Photographer will help you to present your stunning photos or pictures in a fresh new way: integral the photos into amazing page-flipping digital albums with realistic 3D Flash effect. You can show your products in this wonderful and unique mode to share on social networking websites or other websites, with adding your own logo or watermark to protect copyright, inserting your information to make visitors know more details about the publishers, even changing the tips into your own words with your language, etc.

Note: This product is distributed on a "Try before-you-buy" basis. All features described in this documentation are enabled. The registered version doesn't insert a watermark in your generated page-flipping eBooks.

Product features

1. Integral images into Flash eBook with 3D page turning effect.
2. Import Images from computer or digital cameras directly.
3. Import almost all formats of Images: JPEG/JPG/JPE, BMP/Bitmap, PNG, TIF/TIFF, PSD, PCX, JPEG2k/JP2/J2K, RAW, DCM/DIC/DICOM and more.
4. Arrange page layout for images.
5. Add widget Frame for pages.
6. Type Text on pages with defining font, color, type, etc.

2. Tilt Angle Part

You can define default tilt angle for your created digital book, the value you can set to is number between 0 and 90. The readers can change tilt angle manually too by clicking the "Tilt Angle" icon  or just wheel the mouse directly.

3. Background Config Part

If you don't want to use the background in pre-set templates, you can design your own background with Image or Color directly:

At last, click **Apply Change** icon to apply the settings.

License Agreements

All copyrights to 3DPageFlip for Photographer (the Software) are exclusively owned by 3DPageFlip.com. For more information, visit our website at www.3dpageflip.com.

Anyone may use this software but all the page-flipping eBooks generated will automatically have a demo watermark on the first page of them. To remove the limitation you must register.

Once registered, the user is granted a non-exclusive license to use the Software on one computer (i.e. a single CPU) at a time. The registered Software may not be rented or leased, but may be permanently transferred, if the person receiving it agrees to terms of this license.

The Software unregistered (trial) version may be freely distributed, provided the distribution package is not modified. No person or company may charge a fee for the distribution of the Software without written permission from the copyright holder.

THE SOFTWARE IS DISTRIBUTED "AS IS". NO WARRANTY OF ANY KIND IS EXPRESSED OR IMPLIED. YOU USE AT YOUR OWN RISK. THE AUTHOR WILL NOT BE LIABLE FOR DATA LOSS, DAMAGES, LOSS OF PROFITS OR ANY OTHER KIND OF LOSS WHILE USING OR MISUSING THIS SOFTWARE.

You may not use, copy, emulate, clone, rent, lease, sell, modify, decompile, disassemble, otherwise reverse engineer, or transfer the licensed Software, or any subset of the licensed Software, except as provided for in this agreement. Any such unauthorized use shall result in immediate and automatic termination of this license and may result in criminal and/or civil prosecution.

All rights not expressly granted here are reserved by 3D PageFlip.

Installing and using the Software signifies acceptance of these terms and conditions of the license.

If you do not agree with the terms of this license you must remove the Software files from your storage devices and cease to use the product.

How to Order

Order Online (<http://www.3dpageflip.com>) or Order Toll Free 1-877-353-7297 (When you order toll free just give the operator the product number of the product you would like).

How to purchase online?

1. Select a license type above, and click [Buy Now]
2. Select the currency that you want to use. (You can also continue shopping)
3. Fill billing information and select a payment method. (Your information is safe with us)
4. Check the information you filled previously and click "Place Secure Order"

Other Order Ways—With Phone/Mail/Fax/Check:

If you are not comfortable ordering online with a credit card, you are welcome to choose an offline order option in the payment section of the order process.
